AFROEQUALITY EMPOWERMENT APP

LEARNING, REFLECTION AND ACTION FOR INCLUSIVE SOCIETIES

What is the AFROEQUALITY Empowerment App?

The AFROEQUALITY Empowerment App is an interactive learning platform designed to support awareness, critical thinking, and civic engagement around cultural identity, interculturality, and alternative narratives. Through quizzes, scenario-based challenges, games, and reflection activities, the app helps users explore how narratives shape societies and how individuals can respond to discrimination, hate speech, and exclusion. The experience combines learning, self-reflection, and creativity, while ensuring that personal identity and lived experiences are never judged or scored.
